Animé Lubricant

MEDintim lubricant with hyaluron
for daily use for HER and HIM

Animé Lubricant Gel has a stimulating effect and can make sex more enjoyable and pleasurable.

Application: Animé provides moisture and nourishes the upper layers of the skin at one and the same time. Its composition, which includes hyaluronic acid, makes it extremely kind to the skin.

Properties:

- odourless
- water-soluble
- leaves no residues behind
- paraben-free and silicone-free
- promotes wound healing
- relieves dryness
- extremely kind to the skin

Note: If trying to conceive, Animé should not be used during ovulation as it has a slightly acidic pH value. During this phase, we recommend **Prefert®** Vaginal Gel in order to optimise fertility.

Ingredients:

Purified water, propylene glycol, glycerol, hydroxyethyl cellulose, benzoic acid, sodium hyaluronate.

pH-value: 4,8 – 5,1

Free of parabens, silicones and animal components.

Dermatologically tested.
